## Community Events

Families can participate in a variety of community events offered through Venture Upward. Please note that Community Events are open to all Wyoming families, regardless of enrollment status; fees apply.

- **Annual:** Homeschool Conference
- **Semester:** Family Field Trips
- **Quarterly:** Community Service Opportunities, Professional Development, and Virtual Book Clubs for Parents
- **Monthly:** Park Days, Nature Clubs, and Virtual Book Clubs for Kids
- **Other:** National Pen Pal Program, Facebook Community, and more!

## Venture School

Venture’s co-op day is a weekly in-person extracurricular program where students engage with peers in a classroom setting and participate in local monthly educational adVENTURE days. Parents may drop their students off or stay and become involved.

## Teacher Support

Dedicated Wyoming-licensed teachers support families by answering general questions, providing curriculum support, tutoring, and more. If parents observe a need for additional support in an area, they may request support through Venture’s highly qualified Student Success Team (SST) at any time. The SST program allows for research-based interventions to be implemented at the first sign of struggle or concern.

## Venture Reward

Every student receives Venture Reward funding each school year to access educational items. Many families have benefited from using the Venture Reward for printers, internet access, technology, books, education games, additional curriculum, and so much more! Please note that the Venture Reward funds cannot be used to purchase religious-based curriculum. All items are property of the district and must be returned if a student withdraws before the end of the school year.
